**Teacher**

- University may allot some mark for attendance to improve the regularity of the students.

**Employer**

- Suggested to join the students in professional body
- The students should have exposure in competitive exams.

**Parents**

- Improvement in core company placements are expected.
- Career guidance is expected

**Alumni**

- Training required for attitude improvement (such as self-motivation, level of confidence)
- Additional academic support by the faculty

**Action Taken Report**

Being an affiliated college of JNTUH, university curriculum and syllabi is being followed. The college is following the below mentioned actions to bridge the curriculum gap.

The college follows a continuous review system for the curriculum. The Institution would like to include the following aspects which will enrich the curriculum

- Additional design experiments in laboratory courses for stimulating creativity and innovation in students
- It is planning to bring more core company placements.
- Conducting courses on communication skills / Professional ethics and Employability Skills
- Teaching/ Laboratory facilities upgraded to meet the curriculum requirements and current industry trends.
- Encourage the students to attend the co-curricular and extra-curricular activities.
