Action Taken Report

Being an affiliated college of JNTUH, university curriculum and syllabi is being followed. The college is following the below mentioned actions to bridge the curriculum gap.

The college follows a continuous review system for the curriculum. The Institution would like to include the following aspects which will enrich the curriculum

- Conducting workshops in ECE related programming languages
- More experiments are given have hands-on experience
- Seminar is arranged to create awareness about industry trends
- Encourage the students to attend the co-curricular and extra-curricular activities.
