- More core company placements are expected

Action Taken Report

Being an affiliated college of JNTUH, university curriculum and syllabi is being followed. The college is following the below mentioned actions to bridge the curriculum gap.

The college follows a continuous review system for the curriculum. The Institution would like to include the following aspects which will enrich the curriculum

- Working more on industry related workshops.
- Encouraging Mini projects
- Conducting courses on communication skills, Environmental Engineering and Employability Skills
- Anti-ragging rules are formed and displayed in the college premises
- Efforts are taken to bring the core companies for placements
