Action Taken Report

Being an affiliated college of JNTUH, university curriculum and syllabi is being followed. The college is following the below mentioned actions to bridge the curriculum gap.

The college follows a continuous review system for the curriculum. The Institution would like to include the following aspects which will enrich the curriculum

- Additional design experiments in laboratory courses for stimulating creativity and innovation in students
- It is planning to bring more core company placements.
- Training arranged for soft skills
- Awareness seminar arranged for carrier guidance and competitive exams

- Teaching/ Laboratory facilities upgraded to meet the curriculum requirements and current industry trends.
- Encourage the students to attend the co-curricular and extra-curricular activities.
